Privacy Notice

Paragraph 1: In our company, we care about your privacy. We collect your data solely to fulfill the transportation service.

Paragraph 2: We process information such as the booking time, pickup and destination locations, driver, and vehicle details.

Paragraph 3: Your data is shared only with the assigned driver. We do not share it with any other parties.

Paragraph 4: The data is used solely to complete your ride and is not retained longer than necessary.
